Explanation of Board / Committees

NZDRA Board of Directors

The 6 Board of Directors are elected by the members of the Association.

They are nominated based on their business acumen and knowledge of the sport particularly as it pertains in New Zealand.

They do not have to be members of the Association.

The 6 Board members will elect a chairman from their group and are responsible for appointing the Chief Executive Officer.

The Board will direct the Chief Executive in which way the sports direction must travel.

In the event of a hung vote within the board the CEO will have the casting vote and only when it is hung.

The Board will have overall control of the sport but will delegate specific areas to Committees to manage.

The CEO will be the Boards day to day liaison person to these committees.

NZDRA Event Committee

This committee is made up of all the Tracks/Promoters running NZDRA sanctioned events.

They will follow the Marketing plan as directed by the Board of Directors.

Work with the Board in regards to Promotion of the National Series.

Will work with CEO and one another in regards Media relations.

Will work with CEO and one another in regards Event dates.

All committee voting will be done on majority vote of representatives but will be subject to the Board of Directors approval.

NZDRA Drivers Committee

The Drivers Committee will be made up of Drivers elected by the members in each of the NZDRA racing divisions. i.e. Top Alcohol drivers will vote for the T/A representative, Super Street drivers for their S/ST representative etc.

These representatives will be the liaison officers between the Drivers and the CEO throughout the year.

These representatives will meet with the CEO annually to facilitate any class rule revisions.

All committee voting will be done on majority vote of representatives but will be subject to the Board of Directors approval as not conflicting with the direction of the sport.
